AWARDS BANQUET & DINNER: 6:30 PM

Since 1944, Home and School members have provided a caring and enriching educational experience for students; helping to recruit and train parent volunteers; providing leadership in developing and coordinating programs, activities and services; encouraging quality parental involvement in the home, school and community, and working to enhance the education and well-being of children across Québec.

It is through the dedication of parents like yours, through their faith in the public school system and their willingness to be involved, that has played a significant role in the high rate of student success in today's English public schools. Attending this banquet would be a wonderful opportunity for you to thank and encourage your special parents members who have donated so much of their own time, energy and financial resources, to enhance education for the kids in their school.

Please RSVP by April 13th, 2018 to our Administrative Assistant, Sheila Desormeaux sheiladesormeaux@qfhsa.org.

Enclosed is a registration form.

We look forward to seeing you there!

Sincerely,

Brian Rock, President, QFHSA
